

## English Language Education (英語教育)

### Learning inside and outside classroom (課堂學習及語文氛圍並重)

Our school puts great emphasis on English education and organizes annual thematic activities. We implement tailor-made school-based curriculum for all forms.

### The Hong Kong Schools Speech Festival (香港學校朗誦節)

The Hong Kong Schools Speech Festival is one of Hong Kong's largest inter-school competitions. Our school has a tradition of participating in the competition and encourages any interested students to join. Students got brilliant results in the 73<sup>rd</sup> Hong Kong Schools Speech Festival.

### English Centre (英語中心)

The English Centre, covering an area of 1500 sq.ft, is designed to allow students to engage with the English language in a relaxing atmosphere.

### English Fun Days (英語日)

The thematic English Fun Days provide English immersion for students as they are required to speak in English throughout the days. Students participated in various activities like quiz shows, booth games, drama performances.

### English Club (英文學會)

This club provides opportunities for students to exercise their English skills habitually. We hold Scrabble Competitions, a Running Man event,

special holiday quizzes, Fun Cooking and various English game sessions to arouse students' interests in learning English.

### English Musical (英語音樂劇)

Students learn various acting skills, script writing and prop making then work together to organize performances.

Through these experiences, students increase their English proficiency level, build their confidence to perform on stage and further develop their team spirit.

### Various Competitions (校內比賽)

### NET Chat (與外籍老師傾談)

Students are encouraged to chat with our NET and learn by imitating the accent to improve their pronunciation,

develop fluency, and communicate with confidence. It also increases their awareness and appreciation of other cultures.
